Subject: My family

Dear Kelly,

Let me tell you about my family. I live with my mum, dad and little sister. We all live in Edenderry, Co Offaly, Ireland. My mum is from India. She has black hair and brown eyes and she dos not like me messing up anything. My dad is from India as well. He has short black hair and brown eyes. My sister and I do not get on too well, I cannot remember a single day without having a fight with her. But that's siblings right??

Write back soon and tell me about your hobbies!

Best Regards,

Rithwik

Dear Granny,

I would like to address your recent online activities. Could you please stop uploading videos of yourself online, because my friends are annoying me about it and they're singing the same songs that you were singing and dancing the same way as you.

Instead of singing and dancing perhaps you could play bingo or bake cakes, learn to knit and sell the products online? You could go shopping or you could do the singing, dancing and guitar playing off camera.

I know you enjoyed singing and dancing, so maybe you could just perform it for our family? Then you could still play and my friends won't embarrass me. I hope you consider this letter and kindly stop making the videos.

Yours truly,

Michael Martin

Hi Eoin,

On Thursday I went to Amsterdam. I had great fun there. The pancakes are lovely. I got chocolate spread on mine.

I went to the Anne Frank house, the Vincent Van Gogh museum, Madame Tusaud's Wax Museum and the tulip fields. There are beautiful flowers there. I went on a boat cruise. There are a lot of canals there.

I stayed in a boatel. I went to the floating markets and I bought a Venus Flytrap and a Pitcher plant.

I would love to hear about your holidays.

Kind regards,

Kaelum

Dear Cristiano Ronaldo,

My name is Eoghan Cullen. I am writing to you because I would love to know more about you . I have a few questions I'd like you to answer. How does it feel on the pitch? How did it feel winning the Ballon D'or? I would love to wear your football boots. I wish I could come and see you. I could see you on the pitch and see your son and your Lamborghini and all your other cars. I would like to see your swimming pool as well. I hope you can find the time to write back to me.

From,

**Eoghan Cullen** 

Dear Kaelum,

Hope you're having fun. This is what I've been doing since we last spoke. I went to Dublin City University and the National Aquatic Centre. I went to the National Aquatic Centre to get a pair of fins for my swim club. After that I went to D.C.U.. Before I went to do my course, I went to the Helix to get some lunch. After lunch I went to the room numbered C116 for the first day of my Architecture course with C.T.Y.I.. It was great fun. I learned that before you begin to design a building you need a client; you need to do site analysis and a brief. Also there are three types of drawings that you need to draw when you are designing a building, a horizontal plan, an elevation and a vertical section. How was your weekend?

Yours sincerely,

Daniel Tenuto
